Kashi-kun,
you mean
the catcher
doesn't
have to do
anything?

If a "pitcher
who can make
you win"
doesn't require
concern...

Like not let
the ball get
behind him,
indicate when
a runner
starts
running...

There are
various
things the
catcher
does.

I didn't
say that.

Not to
mention, hit
when the
chance
comes.

Chapter 190: That's the Role of the Ideal "Wife"!!

Enough already,
Yashio. He thinks
a pitcher is
the best thing
in the world!!

No way.

You can't
tell him.

Sakura-
san
would?

What's that,
Shiori-chan?
It feels like
sarcasm.

Then would you
be able to say
that to the
catcher on your
team? He'd hate
you for sure.

He's cleared all three conditions I mentioned just now. He's the ultimate partner.

I'm very happy with Sakana-san. He'd never let a difficult pitch pass him, and his shoulder is good. More importantly, he's our cleanup.

It's a given he'd like me the most among all our pitchers. After all, I make the catcher feel the best.

I think he likes me too.

Oh yes, how wonderful!

Well if, what
are you trying
to seduce our
catcher Port?
Don't try to be
one him, into
your shady
world.

You've Fallen
For Me too,
haven't you?

Uh, no, I
don't mean
it that
way ...

POSH
—

It's
true...

But that was
a Followed
Akashi-kun's
lead...

It's true
that the
pitch
distribu-
tion he
talked
about
was good.

There's
no need to
worry, no need
to blink hard.

The catcher gives
the sign in accordance
with that,
and the pitcher
simply throws
as the sign
says!

What we're
going to pitch in a
certain situation
is decided in
advance.

do you go
according
to a
pattern?

The outside
pitcher throws
according to the
outside pattern!
Even if the batter
sees it, it's not
like he can hit it.

What
for?

But what if you
feel the batter
has read the
pattern as well,
would you try to
outsmart him?

How can you
say that and
not even
blink—?

We are
mercenaries.

I said
this
before
as well.

All of us are
mercenaries
acquired for
our skills in
order to win.

I'm from Hyogo,
Sakura-san is from
Chiba, the captain
Shibata-san is from
Nagato, Ryugo and
Awakura and Toyoda
are the same.

He just
uses it to
the utmost
limit.

I have the power
to make my team
win. Sakurai-san
has the skill
to draw my
power out.

So all we
need to do
is provide
those skills.

But in order
to draw it
out, don't
you need to
be in tune
after
all...?

Do you
understand
why Takemikan
lost in the
second match
today?

If you're too
much in tune,
won't it only
lead to
unnecessary
concern for
each other?

Mr.

*That
battery
is too
MUCH in
sync...*

The coach
said... He got
hit because
they were too
in sync.

In the bottom of the
8th, one out, runners
on first and second.
With the third batter
at the plate, the
pitcher shook off a sign
and the catcher
allowed him to get
away with it...

Yeah.
Exactly
that...

Because
you think of
Mitsuka-san's
Feelings, you
Feel lost as well,
don't you?

I should
get some
protein
too.

There's
no need to
be in tune.

But after
hearing all this,
why are you still
nervous about
being in tune or
whatever?

Mis-
fortune
is

That's a
real Mis-
fortune For
Mitsuka-san,
too.

I'm just
worried
about
him!

What do you care
if Ildaka-san
grows smaller or
fattens up?

There is another
thing that
worried me, and
it's the most
important one.

WAA

Mind
your
own
busi-
ness!

He was
swinging.

As proof of
that, in the
8th inning,
during the
big pinch
when they
got one run
back

He's above
Hideo-
son's level.

IF you treat us
like Pools any
more than this,
I really won't
forgive you!

WE'LL
SMASH
BOTH
ANSEI AND
VIRGIN
MARY!!

EVEN
WITHOUT
KNOWING
ALL THAT,
SAIGAKU WILL
STILL WIN,
FOOL!!!

After I
gave you
some good
info....

Wh-
why?

SAIGAKU
WILL GO
TO THE
KOSHUEN!!

He really
needs me,
right?

We are
making
Hidaka-san
smaller...!?

And after
I went
all-in too.

I really
can't win
against
short-
chan.

Everyone
loves baseball,
don't they?

What, Wind
From Rokko?
They're
talking
about the
Koshien
here as
well?
